\$0	IT/IM: (Network Support, Database Management, Modeling)
\$2M - \$6M	Administrative: (e.g. Conference Support, Technical Editing, Peer Review)
\$1M - \$5M	Construction and Architect/Engineer: (Small Renovation Repair)
\$1M - \$5M	Equipment Acquisition
\$81M - \$306M	Total Estimated Contract Dollars

National Health and Environmental Effects Research Laboratory (NHEERL)

- Located: R.T.P., NC; Chapel Hill, NC; Narragansett, RI; Gulf Breeze, FL; Corvallis, OR; Duluth, MN; Grosse Ile, MI; Newport, OR.
- Number of Active Contract: 34
- Forecast Opportunities:
 1. Operation and Maintenance of EPA Animal Colony Facilities – RTP ((\$1 - \$5M)
 2. Janitorial Services – Narragansett (\$250 - \$500K)
 3. Geographical Information System New Laboratory – Gulf Breeze (\$1 - \$5M)
 4. Four Different Analysis of Sediments – Gulf Breeze (All \$100k - \$250K each)
 5. Services to Support Research Programs in Human Studies – RTP (\$5M - \$10M)
 6. Toxicological and Research Support Contract – Duluth (\$5M - \$10M)
 7. On-site Facilities Maintenance and Support – Corvallis, OR (\$1M - \$5M)

National Center For Environmental Assessment (NCEA)

- Located: Washington, D.C.; Cincinnati, OH; RTP, N.C.
- Number of Active Contracts: 6
- Forecast Opportunities:
 1. Tech. Support for Ecological Risk Assessment – Wash., DC (\$1 - \$3M)
 2. Human Health and Ecological Risk Assessment – Cinn. (\$3M - \$10M)
 3. Inhalation Reference Concentrations Development – RTP (\$500K - \$1M)

National Center For Environmental Research (NCER)

- Located: Washington, D.C.
- Number of Active Contracts: 2
- Forecast Opportunities:
 1. Small Business Innovation Renovation (SBIR) – Mobile Source Air Pollution – Wash., DC (Up to 10 contracts awards of \$100K each)
 2. Small Business Innovation Renovation (SBIR) – Combined Sewer Overflows Urban Infrastructure – Wash., DC (Up to 10 contract awards of \$100K each)
 3. Tech./ Science Support for reviewing State of the Science Report – Wash., DC (\$3M – \$10M)

National Exposure Research Laboratory (NERL)

- Located: R.T.P., N.C.; Cincinnati, OH; Athens, GA; Las Vegas, NV; Reston, VA.
- Number of Active Contracts: 20
- Forecast Opportunities:
 1. UV Instrument Maintenance, Calibration, Data QA -- RTP (\$1M - \$5M)
 2. Warehouse, Property Management, and Mail Services – LV (\$1M - \$5M)
 3. Chemical Issuance, Storage, and Disposal – LV (\$1 - \$5M)
 4. Human and Ecological Monitoring Research – RTP (\$10 - \$15M)
 5. On-site Support for Mobile Source Emissions Research – RTP (\$1M - \$5M)
 6. Photo Interpretation Data and Library – LV (\$500K - \$1M)

National Risk Management Research Laboratory (NRMRL)

- Located: Cincinnati, OH; R.T.P, N.C.; Ada, OK; Edison, N.J.
- Number of Active Contracts: 29
- Forecast Opportunities:
 1. On-site Research Support At Test and Evaluation Facility – CI (\$10 - \$50M)
 2. On-site Technical Research Support – ADA (\$10 - \$50M)
 3. Analytical Support – ADA (\$1M - \$5M)
 4. Analytical Field Support – ADA (\$1M - \$5M)
 5. Support For Technical Assistance and Technology Transfer Program – ADA (\$10 - \$50M)
 6. O & M and Janitorial Services – ADA (\$1M - \$5M)
 7. On-site Lab Operations Support – RTP (\$10 - \$50M)

ORD Headquarters (OSP, ORMA, IOAA)

- OSP(Office of Science Policy), ORMA (Office of Resource Management and Administration), IO/AA (Immediate Office/Assistant Administrator)
- Located: Washington, D.C.
- Number of Active Contracts: 6
- Forecast Opportunities:
 1. Technical Support for Science and Research Planning – Wash., DC (\$1M - \$5M)
